Re-zoning Request Application Fee: \$350.00

Statement of Proposed Use

This 2.13 acre tract of land is zoned R1 Residential and we propose that the property be re-zoned to C1 Commercial for the following reasons:

The property across the street (Thunder Road) is zoned commercial.

The adjoining property on the North Side is the City Boat Ramp which is commercial and not visually appealing.

Adjoining on the South Side is a 60' pipeline easement with a 42" high pressure natural gas line and other smaller lines. LNG is in the process of installing another 42" high pressure line.

Because of the pipelines and other present and future commercial activities a residential development in this area would not be in the best interest of the City or the Property owner. We would like to put the property to some economically beneficial use such as a bait/tackle store and parking lot for beach access.

Respectfully,
