

Public Notification to Boil Water RESCIND NOTICE

A water line break has caused the Texas Commission on Environmental Quality (TCEQ) to require our water system, Village of Surfside Beach, Texas PWS TX020037, to notify customers of the need to **boil their water before consumption**.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided the TCEQ with testing results that indicate that the water no longer requires boiling as of 4 December 2015.

If you have questions concerning this matter, you may contact public Works Director, Pete Gutiérrez at Surfside Beach City Hall at 979-233-1531. You may also contact the TCEQ at 512-239-4691.

Notice issue date: December 4, 2015
