Building Department Monthly Council Report: May 2025

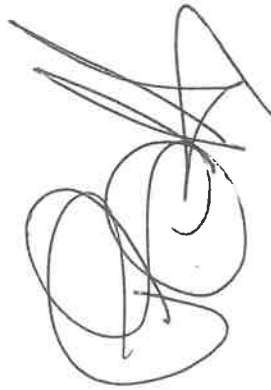

1. **New Restaurant & Bar at 332 & Ft. Velasco:** After receiving all required documents and reviewing all engineering plans, a building permit has been issued, and work is underway.
 2. **New Grocery Store (Ocean Supermarket):** They are hoping to open just before Memorial Day but still need to receive Fire Marshal inspection and County Health permit, and after meeting with them and conducting a recent inspection of the building I reached out to the Fire Marshal to set up his inspection for later this week.
 3. **Wetland Information:** We shared the recent Federal Governments changes regarding jurisdiction over wetlands on the Village website, this can be found under the Building Department on the main page, the public can find all the information that was shared with the council there. This came as a result of the number of inquiries I've been receiving about this subject.
 4. **General Information:** Its that time of year again for increased mowing efforts, especially empty lots, we want to say our thanks to those that schedule regular mowing which helps reduce not only mosquitoes but also helps our Code Enforcement.
 5. **Zoning/Codes:** 19 Building permits issued, 6 pending fill lot permits, two building demolitions, and one new business. 9 code enforcement violations, and one exempt plat request turned in for P&Z.

Reports	9
Arrests	2

Texas Rangers, DEA, ATF, and the FBI have all been to the office this month to assist on various cases we are working. We have hired 2 full time officers that will both be assigned to night shift and we hired 1 reserve officer.

All 3 officers have a plethora of experience and are excited to be on the team.
