20250731-1	Beach	Trash run	7/31/2025	Completed
20250731-2	Beach	Trash run	7/31/2025	Completed

Building Department Monthly Council Report: August 2025

1. **City Hall Building:** Received the engineering report and drawings detailing the necessary structural repairs needed along with leveling of the building and a preliminary cost estimate for budgeting purposes which I will request in our budget meetings.
2. **City Maintained Walkovers:** We completed the yearly inspection reports for general maintenance and repair work needed on 15 walkovers and have issued work orders to the beach crew for these repairs. We also found three walkovers that need to be redesigned and re-built which will require contractors to complete and will start on those after the summer rush.
3. **GLO Meeting:** At their request we held a meeting about a new GLO tracking system for dune restoration projects to ensure compliance over the three year cycle of the project.
4. **Miscellaneous:** Worked with Tourism (Oscar) to help facilitate the design, location and layout of the upcoming amphitheater project and will continue to assist when needed.
5. **Zoning & Code:** Issued 17 building permits and completed 10 code enforcement violations and continue to work with multiple property owners to obtain compliance. We have also had cooperation with PD on several issues.

I have received approximately \$40,000 in equipment to improve the Patrol vehicles, Lights, Push bumpers, prisoner transport cages, lock boxes ect. They are being put in the units now. I have secured a grant of approximately \$15,000 in education funding so all Officers can take continuing education classes online.

We have purchased a new drone that has flir capabilities
We also received our Mobile ORI giving us the capabilities to run Drivers license and License plate on our in car computers
