### Old Business

**-Groin Update** – Mayor Zach has been keeping the public informed in his weekly letter and he has a monthly meeting with GLO. October 4, 2026 is the scheduled construction start date.

**-Update from Toby** – The new shower has been installed at the main entrance, need to build protection for pipes which will be started on this week. Stahlman shower will be installed at the new walkover and hopefully completed this week.

Christmas trees are out.

Booth workers are slated to start the 27<sup>th</sup> of February. Applications are being accepted. Booths will be manned weekends through Memorial Day with possibility of all week during Spring Break and throughout the week after Memorial Day. Looking to employ 13 people and will take applications for 17 years and up.

**-Update on Brazoswood Student Project** – Stephanie stated that filming is expected to start this week and we will receive videos for review and approval when available.

**-Update of Life Jacket Project** – Chet provided a very thorough report and it was voted on to proceed with applying for the life jacket program with the Sea Tow Foundation which has to be in by the end of February. If approved, we'll make further plans.

**-Update on Life Ring Project** – Chet also provide a very thorough report on this project and he is going to check with the County for approval to place 4 life rings on the jetties at a cost of \$505 each which we will need to get approval from Council at the March meeting as agenda items have to be presented to Council now 2 days prior to the Meeting.
