DSHS NEWS RELEASE

Dec. 17, 2013

Flu on the Rise in Texas; DSHS Encourages Vaccination, Prevention

With flu season ramping up in Texas, the Texas Department of State Health Services reminds people who haven't gotten a flu shot yet this season not to put it off any longer.

The level of flu-like illness is currently classified as "high" in Texas, and medical providers are seeing an increase in flu in multiple parts of the state. Getting vaccinated is the best way for people to protect themselves and their families from the flu during the holiday season, when there is typically an increase in flu cases.

DSHS recommends everyone six months old and older get vaccinated. People should talk to their health care provider about the best type of flu vaccine for them. A nasal spray version is available for healthy people ages 2 to 49 who are not pregnant, and a high-dose vaccine is approved for people 65 and older.

Flu is a serious disease that kills an average of 23,600 Americans a year, according to estimates from the Centers for Disease Control and Prevention. People over 65, pregnant women, young children and people with chronic health conditions are most at risk for complications, so it's especially important for them to be vaccinated.

Getting vaccinated is the best way to stop the spread of the flu. Additionally, cover all coughs and sneezes, wash hands frequently with soap and water or use hand sanitizer, and stay home if sick.

Additional Resources: Additional public information can be found at the below website hosted by DSHS. <http://www.texasflu.org/index.html>

How Flu Spreads

Person to Person

People with flu can spread it to others up to about 6 feet away. Most experts think that flu viruses are spread mainly by droplets made when people with flu cough, sneeze or talk. These droplets can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs. Less often, a person might also get flu by touching a surface or object that has flu virus on it and then touching their own mouth or nose. To avoid this, people should stay away from sick people and stay home if sick. It also is important to wash hands often with soap and water. If soap and water are not available, use an alcohol-based hand rub. Linens, eating utensils, and dishes belonging to those who are sick should not be shared without washing thoroughly first. Eating utensils can be washed either in a dishwasher or by hand with water and soap and do not need to be cleaned separately. Further, frequently touched surfaces should be cleaned and disinfected at home, work and school, especially if someone is ill.

The Flu Is Contagious

Most healthy adults may be able to infect other people beginning 1 day **before** symptoms develop and up to 5 to 7 days **after** becoming sick. Children may pass the virus for longer than 7 days. Symptoms start 1 to 4 days after the virus enters the body. **That means that you may be able to pass on the flu to someone else before you know you are sick, as well as while you are sick.** Some people can be infected with the flu virus but have no symptoms. During this time, those persons may still spread the virus to others.

Prevention

Prevent seasonal flu: Get vaccinated

The single best way to prevent the flu is to get a flu vaccine each season. There are several [flu vaccine options](#) for the 2013-2014 flu season. Traditional flu vaccines made to protect against three different flu viruses (called "trivalent" vaccines) are available. In addition, this season flu vaccines made to protect against four different flu viruses (called "quadrivalent" vaccines) also are available.

The **trivalent flu vaccine** protects against two influenza A viruses and an influenza B virus. The following trivalent flu vaccines are available:

- [Standard dose trivalent shots](#) that are manufactured using virus grown in eggs. These are approved for people ages 6 months and older. There are different brands of this type of vaccine, and each is approved for different ages. However, there is a brand that is approved for children as young as 6 months old and up.
- A standard dose [trivalent shot containing virus grown in cell culture](#), which is approved for people 18 and older.
- A standard dose [trivalent shot that is egg-free](#), approved for people 18 through 49 years of age.
- A [high-dose trivalent shot](#), approved for people 65 and older.

- A standard dose intradermal trivalent shot, which is injected into the skin instead of the muscle and uses a much smaller needle than the regular flu shot, approved for people 18 through 64 years of age.

The **quadrivalent flu vaccine** protects against two influenza A viruses and two influenza B viruses. The following quadrivalent flu vaccines are available:

- A standard dose quadrivalent shot
- A standard dose quadrivalent flu vaccine, given as a nasal spray, approved for healthy* people 2 through 49 years of age

*("Healthy" indicates persons who do not have an underlying medical condition that predisposes them to influenza complications.)

FINAL COMMENTS: The SOC will continue monitoring this situation and will provide additional situation reports as conditions warrant. The SOC is at Activation Level IV (Normal Conditions).

The four levels of SOC activation are:

- Level I (Emergency Conditions)
- Level II (Escalated Response Conditions)
- Level III (Increased Readiness Conditions)
- Level IV (Normal Conditions)

JOINT ELECTION AGREEMENT AND CONTRACT FOR ELECTION SERVICES

THIS CONTRACT by and between **VILLAGE OF SURFSIDE BEACH**, acting by and through the governing body of hereinafter referred to as "Political Subdivision", and Joyce Hudman, County Clerk of Brazoria County, Texas, hereinafter referred to as "County Clerk", and by authority of section 31.092(a), Texas Election Code, for the conduct and supervision of the Political Subdivisions election to be held on May 10, 2014.

RECITALS

Political Subdivision is holding a Municipal Election (at the expense of Political Subdivision) on May 10, 2014.

The County owns an electronic voting system, the Hart InterCivic eSlate Voting System (Version 6.1), which has been duly approved by the Secretary of State pursuant to Texas Election Code Chapter 122 as amended, and is compliant with the accessibility requirements set forth by Texas Election Code Section 61.012. Political Subdivision desires to use the County's electronic voting system and to compensate the County for such use and to share in certain other expenses connected with joint elections in accordance with the applicable provisions of Chapters 31 and 271 of the Texas Election Code, as amended.

NOW THEREFORE, in consideration of the mutual covenants, agreements, and benefits to the parties, IT IS AGREED as follows:

I. ADMINISTRATION

The parties agree to hold a "Joint Election" in accordance with Chapter 271 of the Texas Election Code and this agreement. The County Clerk of Brazoria County shall coordinate, supervise, and handle all aspects of administering the Joint Election as provided in this agreement. Political Subdivision agrees to pay Brazoria County for equipment, supplies, services, and administrative costs as provided in this agreement. The County Clerk shall serve as the administrator for the Joint Election; however, the Political Subdivision shall remain responsible for the decisions and actions of its officers necessary for the lawful conduct of its election. The County Clerk shall provide advisory services in connection with decisions to be made and actions to be taken by the officers of the Political Subdivision.

It is understood that other political subdivisions may wish to participate in the use of the County's electronic voting system and polling places, and it is agreed that Brazoria County and the County Clerk may enter into other joint election agreements and contracts for election services for those purposes on terms and conditions generally similar to those set forth in this contract. Political Subdivision agrees that Brazoria County may enter into joint election agreements with other political subdivisions that may have territory located partially or wholly within the boundaries of Political Subdivision, and in such case all parties sharing common territory shall share a joint ballot

on the county's electronic voting system at the applicable polling places. In such cases, costs shall be divided among the participants.

At each polling location, joint participants shall share voting equipment and supplies to the extent possible. The participating parties shall share a mutual ballot in those precincts where jurisdictions overlap. However, in no instance shall a voter be permitted to receive a ballot containing an office or proposition stating a measure on which the voter is ineligible to vote. Multiple ballot styles shall be available in those shared polling places where jurisdictions do not overlap.

II. LEGAL DOCUMENTS

Political Subdivision shall be responsible for the preparation, adoption, and publication of all required election orders, resolutions, notices, and any other pertinent documents required by the Texas Election Code and/or Political Subdivision's governing body, charter, or ordinances. With reference to publications, the "County Clerk" will publish the "Notice of Test of Automatic Tabulating Equipment", but the "Political Subdivision" will publish the "Notice of Election."

Preparation of the necessary materials for notices and the official ballot shall be the responsibility of each participating authority, including translation to languages other than English. Each participating authority shall provide a copy of their respective election orders and notices to the County Clerk's Election Department.

It is currently unclear whether the preclearance section of the Voting Rights Act of 1965, as amended, applies and whether preclearance is required. If it is determined that preclearance is required, the County Clerk's Election Department, with the assistance of the Brazoria County District Attorney's Office, shall prepare a submission to the United States Department of Justice for preclearance of the joint election procedures and polling places, pursuant to the Voting Rights Act of 1965, as amended. If preclearance is required, each Political Subdivision shall provide necessary documentation for preclearance and this submission to the Department of Justice shall be made on behalf of all political subdivisions participating in joint elections on May 10, 2014.

III. VOTING LOCATIONS

The County Clerk's Election Office shall select and arrange for the use of and payment for all election day voting locations. Voting locations will be, whenever possible, the usual voting location for each election precinct in elections conducted by the county. The proposed voting locations are listed in Attachment A of this agreement. In the event a voting location is not available, the Elections Department will arrange for use of an alternate location with the approval of the Political Subdivision. The Elections Department shall notify the Political Subdivision of any changes from the locations listed in Attachment A.

If polling places for the May 10, 2014 joint election are different from the polling place(s) used by Political Subdivision in its most recent election, Political Subdivision agrees to post a notice no later than May 9, 2014 at the entrance to any previous polling places in the jurisdiction stating that the polling location has changed and stating the political subdivision's polling place names and addresses in effect for the May 10, 2014 election. Any changes in voting location from

those that were used in the last May Countywide Joint elections will be posted by the County Clerk's Election Office.

IV. ELECTION JUDGES, CLERKS, AND OTHER ELECTION PERSONNEL

Brazoria County shall be responsible for the appointment of the presiding judge and alternate judge for each polling location in accordance with Chapter 32 of the Texas Election Code. The County Clerk shall make emergency appointments of election officials if necessary. Upon request by the County Clerk, Political Subdivision agrees to assist in recruiting polling place officials who are bilingual (fluent in both English and Spanish).

The Elections Department shall notify all election judges of the eligibility requirements of Subchapter C of Chapter 32 of the Texas Election Code, and will take the necessary steps to insure that all election judges appointed for the Joint Election are eligible to serve.

The County Clerk shall arrange for the training and compensation of all election judges and clerks. The Elections Department shall arrange for the date, time, and place for presiding election judges to pick up their election supplies. Each presiding election judge will be sent a letter from the Elections Department notifying him of his appointment, the time and location of training and distribution of election supplies, and the number of election clerks that the presiding judge may appoint.

Each election judge will receive compensation at an hourly rate of \$12.00. Each election clerk will receive compensation at an hourly rate of \$10.00. The election judge will receive an additional sum of \$25.00 for picking up the election supplies prior to election day and for returning the supplies and equipment to the central counting station after the polls close. All judges and clerks will receive \$30.00 for attending training.

It is agreed by all parties that at all times and for all purposes hereunder, all election judges, clerks, and all other personnel involved in this election are independent contractors and are not employees or agents of the County or Political Subdivision. No statement contained in this Agreement shall be construed so as to find any judge, clerk, or any other election personnel an employee or agent of the County or Political Subdivision, and no election personnel shall be entitled to the rights, privileges, or benefits of County or Political Subdivision employees except as otherwise stated herein, nor shall any election personnel hold himself out as an employee or agent of the County or Political Subdivision, unless considered a county employee as determined by the Brazoria County Human Resources Department.

V. PREPARATION OF SUPPLIES AND VOTING EQUIPMENT

The Elections Department shall arrange for all election supplies and voting equipment including, but not limited to official ballots, sample ballots, voter registration lists, and all forms, signs and other materials used by the election judges at the voting locations. At each polling location, joint participants shall share voting equipment and supplies to the extent possible. The participating parties shall share a mutual ballot in those precincts where jurisdictions overlap.

However, in no instance shall a voter be permitted to receive a ballot containing an office or proposition stating a measure on which the voter is ineligible to vote. Multiple ballot styles shall be available in those shared polling places where jurisdictions do not overlap. The Elections Department shall provide the necessary voter registration information, instructions, and other information needed to enable the election judges in the voting locations that have more than one ballot style to conduct a proper election. If special maps are needed for a particular Political Subdivision, the Election Department will order the maps and pass that charge on to that particular Political Subdivision.

Political Subdivision shall furnish the County Clerk a list of candidates and/or propositions showing the order and the exact manner in which the candidate names and/or proposition(s) are to appear on the official ballot (including titles and text in each language in which the authority's ballot is to be printed). This list shall be delivered to the Elections Department as soon as possible after ballot positions have been determined by each of the participating authorities. Each participating authority shall be responsible for proofreading and approving the ballot insofar as it pertains to that authority's candidates and/or propositions.

VI. EARLY VOTING

The participating authorities agree to conduct joint early voting and to appoint the County Clerk as the Early Voting Clerk in accordance with Sections 31.097 and 271.006 of the Texas Election Code. Political Subdivision agrees to appoint the County Clerk's permanent county employees as deputy early voting clerks. The participating authorities further agree that each Early Voting Location will have an "Officer in Charge" that will receive compensation at an hourly rate of \$12.00. The clerks at each location will receive compensation at an hourly rate of \$10.00. Early Voting by personal appearance will be held at the locations, dates, and times listed in Attachment "B" of this document. Any qualified voter of the Joint Election may vote early by personal appearance at any one of the joint early voting locations.

As Early Voting Clerk, the County Clerk shall receive applications for early voting ballots to be voted by mail in accordance with Chapters 31 and 86 of the Texas Election Code. Any requests for early voting ballots to be voted by mail received by the Political Subdivision shall be forwarded immediately by fax or courier to the Elections Department for processing.

The Elections Department shall, upon request, provide the Political Subdivision a copy of the early voting report on a daily basis and a cumulative final early voting report following the election.

VII. EARLY VOTING BALLOT BOARD

Brazoria County shall appoint an Early Voting Ballot Board (EVBB) to process early voting results from the Joint Election. The Presiding Judge, with the assistance of the Elections Department, shall appoint two or more additional members to constitute the EVBB. The Elections Department shall determine the number of EVBB members required to efficiently process the early voting ballots.

VIII. CENTRAL COUNTING STATION AND ELECTION RETURNS

The County Clerk shall be responsible for establishing and operating the central counting station to receive and tabulate the voted ballots in accordance with the provisions of the Texas Election Code and of this agreement.

The participating authorities hereby, in accordance with Section 127.002, 127.003, and 127.005 of the Texas Election Code, appoint the following central counting station officials:

Counting Station Manager:	Janice Evans
Alternate Counting Station Manager:	Brandy Pena
Tabulation Supervisor:	Susan Cloudt
Alternate Tabulation Supervisor:	Brandy Pena
Presiding Judge:	Bonnie Farrer
Alternate Presiding Judge:	Dottie Cornett

The Elections Department will prepare the unofficial canvass reports after all precincts have been counted, and will deliver a copy of the unofficial canvass to the Political Subdivision as soon as possible after all returns have been tabulated. All participating authorities shall be responsible for the official canvass of their respective elections.

The Elections Department shall be responsible for conducting the post-election manual recount required by Section 127.201 of the Texas Election Code unless a waiver is granted by the Secretary of State. Notification and copies of the recount, if waiver is denied, will be provided to each participating authority and the Secretary of State's Office.

The Elections Department shall submit all Political Subdivision's precinct by precinct returns to the Texas Secretary of State's Office electronically.

The Elections Department shall post all election night results to our website on election night. [http://www. Brazoriacountyvotes.com](http://www.Brazoriacountyvotes.com).

IX. ELECTION EXPENSES AND ALLOCATION OF COSTS

The participating authorities agree to share the costs of administering the Joint Election. Allocation of costs, unless specifically stated otherwise, is mutually agreed to be shared according to a formula which is based on the cost per polling place. Costs for polling places shared by County, Political Subdivision, and other political subdivisions shall be divided equally among the participants utilizing that polling place.

It is agreed that the normal rental rate charged for the County's voting equipment used on election day shall be divided equally among the participants utilizing each polling location.

Costs for Early Voting by Personal Appearance will be divided by all Political Subdivisions as follows: Total cost of all 10 locations will be divided by all Political Subdivisions holding elections on May 10, 2014. Cost will be based on registered voters.

X. WITHDRAWAL FROM CONTRACT DUE TO CANCELLATION OF ELECTION

Political Subdivision may withdraw from this agreement and the Joint Election should it cancel its election in accordance with Sections 2.051 - 2.053 of the Texas Election Code, or should it be later ruled that the election is not needed. Political Subdivision is fully liable for any expenses incurred by Brazoria County on behalf of Political Subdivision. Any monies deposited with the county by the withdrawing authority shall be refunded, minus the aforementioned expenses.

XI. RECORDS OF THE ELECTION

The County Clerk is hereby appointed general custodian of the voted ballots and all records of the Joint Election as authorized by Section 271.010 of the Texas Election Code.

Access to the election records shall be available to each participating authority as well as to the public in accordance with applicable provisions of the Texas Election Code and the Texas Public Information Act. The election records shall be stored at the offices of the County Clerk or at an alternate facility used for storage of county records. The Elections Department shall ensure that the records are maintained in an orderly manner so that the records are clearly identifiable and retrievable.

Records of the election shall be retained and disposed of in accordance with the provisions of Section 66.058 of the Texas Election Code. If records of the election are involved in any pending election contest, investigation, litigation, or open records request, the County Clerk shall maintain the records until final resolution or until final judgment, whichever is applicable. It is the responsibility of each participating authority to bring to the attention of the County Clerk any notice of pending election contest, investigation, litigation or open records request which may be filed with the participating authority.

XII. RECOUNTS

A recount may be obtained as provided by Title 13 of the Texas Election Code. Political Subdivision agrees that any recount shall take place at the offices of the County Clerk, and that the County Clerk shall serve as Recount Supervisor and the Political Subdivision's official or employee who performs the duties of a secretary under the Texas Election Code shall serve as Recount Coordinator.

The Elections Department agrees to provide advisory services to the District as necessary to conduct a proper recount and cost of the recount depends on the size of the election and number of precincts to be recounted.

XIII. MISCELLANEOUS PROVISIONS

1. It is understood that to the extent space is available, that other districts and political subdivisions may wish to participate in the use of the County's election equipment and voting places, and it is agreed that the County Clerk may contract with such other districts or political

2. The County clerk shall file copies of this document with the Brazoria County Treasurer and the Brazoria County Auditor in accordance with Section 31.099 of the Texas Election Code.

3. In the event that legal action is filed contesting Political Subdivision's election under Title 14 of the Texas Election Code, Political Subdivision shall choose and provide, at its own expense, legal counsel for the County, the County Clerk, and additional election personnel as necessary.

4. Nothing in this contract prevents any party from taking appropriate legal action against any other party and/or other election personnel for a breach of this contract or a violation of the Texas Election Code.

5. The parties agree that under the Constitution and laws of the State of Texas, neither Brazoria County nor Political Subdivision can enter into an agreement whereby either party agrees to indemnify or hold harmless another party; therefore, all references of any kind, if any, to indemnifying or holding or saving harmless for any reason are hereby deleted.

JOINT ELECTION AGREEMENT AND CONTRACT FOR ELECTION SERVICES

THIS CONTRACT by and between **VILLAGE OF SURFSIDE BEACH**, acting by and through the governing body of hereinafter referred to as "Political Subdivision", and Joyce Hudman, County Clerk of Brazoria County, Texas, hereinafter referred to as "County Clerk", and by authority of section 31.092(a), Texas Election Code, for the conduct and supervision of the Political Subdivisions election to be held on May 10, 2014.

RECITALS

Political Subdivision is holding a Municipal Election (at the expense of Political Subdivision) on May 10, 2014.

The County owns an electronic voting system, the Hart InterCivic eSlate Voting System (Version 6.1), which has been duly approved by the Secretary of State pursuant to Texas Election Code Chapter 122 as amended, and is compliant with the accessibility requirements set forth by Texas Election Code Section 61.012. Political Subdivision desires to use the County's electronic voting system and to compensate the County for such use and to share in certain other expenses connected with joint elections in accordance with the applicable provisions of Chapters 31 and 271 of the Texas Election Code, as amended.

NOW THEREFORE, in consideration of the mutual covenants, agreements, and benefits to the parties, IT IS AGREED as follows:

I. ADMINISTRATION

The parties agree to hold a "Joint Election" in accordance with Chapter 271 of the Texas Election Code and this agreement. The County Clerk of Brazoria County shall coordinate, supervise, and handle all aspects of administering the Joint Election as provided in this agreement. Political Subdivision agrees to pay Brazoria County for equipment, supplies, services, and administrative costs as provided in this agreement. The County Clerk shall serve as the administrator for the Joint Election; however, the Political Subdivision shall remain responsible for the decisions and actions of its officers necessary for the lawful conduct of its election. The County Clerk shall provide advisory services in connection with decisions to be made and actions to be taken by the officers of the Political Subdivision.

It is understood that other political subdivisions may wish to participate in the use of the County's electronic voting system and polling places, and it is agreed that Brazoria County and the County Clerk may enter into other joint election agreements and contracts for election services for those purposes on terms and conditions generally similar to those set forth in this contract. Political Subdivision agrees that Brazoria County may enter into joint election agreements with other political subdivisions that may have territory located partially or wholly within the boundaries of Political Subdivision, and in such case all parties sharing common territory shall share a joint ballot

on the county's electronic voting system at the applicable polling places. In such cases, costs shall be divided among the participants.

At each polling location, joint participants shall share voting equipment and supplies to the extent possible. The participating parties shall share a mutual ballot in those precincts where jurisdictions overlap. However, in no instance shall a voter be permitted to receive a ballot containing an office or proposition stating a measure on which the voter is ineligible to vote. Multiple ballot styles shall be available in those shared polling places where jurisdictions do not overlap.

II. LEGAL DOCUMENTS

Political Subdivision shall be responsible for the preparation, adoption, and publication of all required election orders, resolutions, notices, and any other pertinent documents required by the Texas Election Code and/or Political Subdivision's governing body, charter, or ordinances. With reference to publications, the "County Clerk" will publish the "Notice of Test of Automatic Tabulating Equipment", but the "Political Subdivision" will publish the "Notice of Election."

Preparation of the necessary materials for notices and the official ballot shall be the responsibility of each participating authority, including translation to languages other than English. Each participating authority shall provide a copy of their respective election orders and notices to the County Clerk's Election Department.

It is currently unclear whether the preclearance section of the Voting Rights Act of 1965, as amended, applies and whether preclearance is required. If it is determined that preclearance is required, the County Clerk's Election Department, with the assistance of the Brazoria County District Attorney's Office, shall prepare a submission to the United States Department of Justice for preclearance of the joint election procedures and polling places, pursuant to the Voting Rights Act of 1965, as amended. If preclearance is required, each Political Subdivision shall provide necessary documentation for preclearance and this submission to the Department of Justice shall be made on behalf of all political subdivisions participating in joint elections on May 10, 2014.

III. VOTING LOCATIONS

The County Clerk's Election Office shall select and arrange for the use of and payment for all election day voting locations. Voting locations will be, whenever possible, the usual voting location for each election precinct in elections conducted by the county. The proposed voting locations are listed in Attachment A of this agreement. In the event a voting location is not available, the Elections Department will arrange for use of an alternate location with the approval of the Political Subdivision. The Elections Department shall notify the Political Subdivision of any changes from the locations listed in Attachment A.

If polling places for the May 10, 2014 joint election are different from the polling place(s) used by Political Subdivision in its most recent election, Political Subdivision agrees to post a notice no later than May 9, 2014 at the entrance to any previous polling places in the jurisdiction stating that the polling location has changed and stating the political subdivision's polling place names and addresses in effect for the May 10, 2014 election. Any changes in voting location from

those that were used in the last May Countywide Joint elections will be posted by the County Clerk's Election Office.

IV. ELECTION JUDGES, CLERKS, AND OTHER ELECTION PERSONNEL

Brazoria County shall be responsible for the appointment of the presiding judge and alternate judge for each polling location in accordance with Chapter 32 of the Texas Election Code. The County Clerk shall make emergency appointments of election officials if necessary. Upon request by the County Clerk, Political Subdivision agrees to assist in recruiting polling place officials who are bilingual (fluent in both English and Spanish).

The Elections Department shall notify all election judges of the eligibility requirements of Subchapter C of Chapter 32 of the Texas Election Code, and will take the necessary steps to insure that all election judges appointed for the Joint Election are eligible to serve.

The County Clerk shall arrange for the training and compensation of all election judges and clerks. The Elections Department shall arrange for the date, time, and place for presiding election judges to pick up their election supplies. Each presiding election judge will be sent a letter from the Elections Department notifying him of his appointment, the time and location of training and distribution of election supplies, and the number of election clerks that the presiding judge may appoint.

Each election judge will receive compensation at an hourly rate of \$12.00. Each election clerk will receive compensation at an hourly rate of \$10.00. The election judge will receive an additional sum of \$25.00 for picking up the election supplies prior to election day and for returning the supplies and equipment to the central counting station after the polls close. All judges and clerks will receive \$30.00 for attending training.

It is agreed by all parties that at all times and for all purposes hereunder, all election judges, clerks, and all other personnel involved in this election are independent contractors and are not employees or agents of the County or Political Subdivision. No statement contained in this Agreement shall be construed so as to find any judge, clerk, or any other election personnel an employee or agent of the County or Political Subdivision, and no election personnel shall be entitled to the rights, privileges, or benefits of County or Political Subdivision employees except as otherwise stated herein, nor shall any election personnel hold himself out as an employee or agent of the County or Political Subdivision, unless considered a county employee as determined by the Brazoria County Human Resources Department.

V. PREPARATION OF SUPPLIES AND VOTING EQUIPMENT

The Elections Department shall arrange for all election supplies and voting equipment including, but not limited to official ballots, sample ballots, voter registration lists, and all forms, signs and other materials used by the election judges at the voting locations. At each polling location, joint participants shall share voting equipment and supplies to the extent possible. The participating parties shall share a mutual ballot in those precincts where jurisdictions overlap.

However, in no instance shall a voter be permitted to receive a ballot containing an office or proposition stating a measure on which the voter is ineligible to vote. Multiple ballot styles shall be available in those shared polling places where jurisdictions do not overlap. The Elections Department shall provide the necessary voter registration information, instructions, and other information needed to enable the election judges in the voting locations that have more than one ballot style to conduct a proper election. If special maps are needed for a particular Political Subdivision, the Election Department will order the maps and pass that charge on to that particular Political Subdivision.

Political Subdivision shall furnish the County Clerk a list of candidates and/or propositions showing the order and the exact manner in which the candidate names and/or proposition(s) are to appear on the official ballot (including titles and text in each language in which the authority's ballot is to be printed). This list shall be delivered to the Elections Department as soon as possible after ballot positions have been determined by each of the participating authorities. Each participating authority shall be responsible for proofreading and approving the ballot insofar as it pertains to that authority's candidates and/or propositions.

VI. EARLY VOTING

The participating authorities agree to conduct joint early voting and to appoint the County Clerk as the Early Voting Clerk in accordance with Sections 31.097 and 271.006 of the Texas Election Code. Political Subdivision agrees to appoint the County Clerk's permanent county employees as deputy early voting clerks. The participating authorities further agree that each Early Voting Location will have an "Officer in Charge" that will receive compensation at an hourly rate of \$12.00. The clerks at each location will receive compensation at an hourly rate of \$10.00. Early Voting by personal appearance will be held at the locations, dates, and times listed in Attachment "B" of this document. Any qualified voter of the Joint Election may vote early by personal appearance at any one of the joint early voting locations.

As Early Voting Clerk, the County Clerk shall receive applications for early voting ballots to be voted by mail in accordance with Chapters 31 and 86 of the Texas Election Code. Any requests for early voting ballots to be voted by mail received by the Political Subdivision shall be forwarded immediately by fax or courier to the Elections Department for processing.

The Elections Department shall, upon request, provide the Political Subdivision a copy of the early voting report on a daily basis and a cumulative final early voting report following the election.

VII. EARLY VOTING BALLOT BOARD

Brazoria County shall appoint an Early Voting Ballot Board (EVBB) to process early voting results from the Joint Election. The Presiding Judge, with the assistance of the Elections Department, shall appoint two or more additional members to constitute the EVBB. The Elections Department shall determine the number of EVBB members required to efficiently process the early voting ballots.

VIII. CENTRAL COUNTING STATION AND ELECTION RETURNS

The County Clerk shall be responsible for establishing and operating the central counting station to receive and tabulate the voted ballots in accordance with the provisions of the Texas Election Code and of this agreement.

The participating authorities hereby, in accordance with Section 127.002, 127.003, and 127.005 of the Texas Election Code, appoint the following central counting station officials:

Counting Station Manager:	Janice Evans
Alternate Counting Station Manager:	Brandy Pena
Tabulation Supervisor:	Susan Cloudt
Alternate Tabulation Supervisor:	Brandy Pena
Presiding Judge:	Bonnie Farrer
Alternate Presiding Judge:	Dottie Cornett

The Elections Department will prepare the unofficial canvass reports after all precincts have been counted, and will deliver a copy of the unofficial canvass to the Political Subdivision as soon as possible after all returns have been tabulated. All participating authorities shall be responsible for the official canvass of their respective elections.

The Elections Department shall be responsible for conducting the post-election manual recount required by Section 127.201 of the Texas Election Code unless a waiver is granted by the Secretary of State. Notification and copies of the recount, if waiver is denied, will be provided to each participating authority and the Secretary of State's Office.

The Elections Department shall submit all Political Subdivision's precinct by precinct returns to the Texas Secretary of State's Office electronically.

The Elections Department shall post all election night results to our website on election night. [http://www. Brazoriacountyvotes.com](http://www.Brazoriacountyvotes.com).

IX. ELECTION EXPENSES AND ALLOCATION OF COSTS

The participating authorities agree to share the costs of administering the Joint Election. Allocation of costs, unless specifically stated otherwise, is mutually agreed to be shared according to a formula which is based on the cost per polling place. Costs for polling places shared by County, Political Subdivision, and other political subdivisions shall be divided equally among the participants utilizing that polling place.

It is agreed that the normal rental rate charged for the County's voting equipment used on election day shall be divided equally among the participants utilizing each polling location.

Costs for Early Voting by Personal Appearance will be divided by all Political Subdivisions as follows: Total cost of all 10 locations will be divided by all Political Subdivisions holding elections on May 10, 2014. Cost will be based on registered voters.

X. WITHDRAWAL FROM CONTRACT DUE TO CANCELLATION OF ELECTION

Political Subdivision may withdraw from this agreement and the Joint Election should it cancel its election in accordance with Sections 2.051 - 2.053 of the Texas Election Code, or should it be later ruled that the election is not needed. Political Subdivision is fully liable for any expenses incurred by Brazoria County on behalf of Political Subdivision. Any monies deposited with the county by the withdrawing authority shall be refunded, minus the aforementioned expenses.

XI. RECORDS OF THE ELECTION

The County Clerk is hereby appointed general custodian of the voted ballots and all records of the Joint Election as authorized by Section 271.010 of the Texas Election Code.

Access to the election records shall be available to each participating authority as well as to the public in accordance with applicable provisions of the Texas Election Code and the Texas Public Information Act. The election records shall be stored at the offices of the County Clerk or at an alternate facility used for storage of county records. The Elections Department shall ensure that the records are maintained in an orderly manner so that the records are clearly identifiable and retrievable.

Records of the election shall be retained and disposed of in accordance with the provisions of Section 66.058 of the Texas Election Code. If records of the election are involved in any pending election contest, investigation, litigation, or open records request, the County Clerk shall maintain the records until final resolution or until final judgment, whichever is applicable. It is the responsibility of each participating authority to bring to the attention of the County Clerk any notice of pending election contest, investigation, litigation or open records request which may be filed with the participating authority.

XII. RECOUNTS

A recount may be obtained as provided by Title 13 of the Texas Election Code. Political Subdivision agrees that any recount shall take place at the offices of the County Clerk, and that the County Clerk shall serve as Recount Supervisor and the Political Subdivision's official or employee who performs the duties of a secretary under the Texas Election Code shall serve as Recount Coordinator.

The Elections Department agrees to provide advisory services to the District as necessary to conduct a proper recount and cost of the recount depends on the size of the election and number of precincts to be recounted.

XIII. MISCELLANEOUS PROVISIONS

1. It is understood that to the extent space is available, that other districts and political subdivisions may wish to participate in the use of the County's election equipment and voting places, and it is agreed that the County Clerk may contract with such other districts or political

subdivisions for such purposes and that in such event there may be an adjustment of the pro-rata share to be paid to the County by the participating authorities.

2. The County clerk shall file copies of this document with the Brazoria County Treasurer and the Brazoria County Auditor in accordance with Section 31.099 of the Texas Election Code.

3. In the event that legal action is filed contesting Political Subdivision's election under Title 14 of the Texas Election Code, Political Subdivision shall choose and provide, at its own expense, legal counsel for the County, the County Clerk, and additional election personnel as necessary.

4. Nothing in this contract prevents any party from taking appropriate legal action against any other party and/or other election personnel for a breach of this contract or a violation of the Texas Election Code.

5. The parties agree that under the Constitution and laws of the State of Texas, neither Brazoria County nor Political Subdivision can enter into an agreement whereby either party agrees to indemnify or hold harmless another party; therefore, all references of any kind, if any, to indemnifying or holding or saving harmless for any reason are hereby deleted.

6. This agreement shall be construed under and in accord with the laws of the State of Texas, and all obligations of the parties created hereunder are performable in Brazoria County, Texas.

7. In the event of one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision hereof and this agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

8. All parties shall comply with all applicable laws, ordinances, and codes of the State of Texas, all local governments, and any other entities with local jurisdiction.

9. The waiver by any party of a breach of any provision of this agreement shall not operate as or be construed as a waiver of any subsequent breach.

10. Any amendments of this agreement shall be of no effect unless in writing and signed by all parties hereto.

XIV. COST ESTIMATES AND DEPOSIT OF FUNDS

The cost of this election will be calculated once we know how many political subdivision will be holding elections and once we know the total expenses incurred to hold this election. Political Subdivision agrees to pay to Brazoria County a deposit of \$600.00, which is about 50% of the cost of your most recent May election. This deposit shall be paid to Brazoria County within 10 days after the final candidate filing deadline. The final candidate filing deadline is February 28, 2014. Therefore, deposit is due by March 10, 2014. The exact amount of the Political Subdivision's obligation under the terms of this agreement shall be calculated after the May 10, 2014 election and if the amount of the Political Subdivision's obligation exceeds the amount deposited, the Political Subdivision shall pay to Brazoria County the balance due within thirty (30) days after

receipt of the final invoice from the County Clerk's Election Department. However, if the amount of the Political Subdivision's obligation is less than the amount deposited, Brazoria County shall refund to the Political Subdivision the excess amount paid within thirty (30) days after final costs are calculated.

IN TESTIMONY HEREOF, this agreement, its multiple originals all of equal force, has been executed on behalf of the parties hereto as follows, to-wit:

(1) It has on the _____ day of _____, 2014 been executed on behalf of Brazoria County by the County Judge or the County Clerk pursuant to the Texas Election Code so authorizing;

RE: AERIAL SPRAYING OVER THE VILLAGE OF SURFSIDE

The Brazoria County Mosquito Control District is updating its files for the 2014 season of aerial spraying over cities and towns in Brazoria County. We would like your permission "to spray" or "not to spray" over your area. The spraying is done during heavy outbreaks of mosquitoes by our Beech 18's.

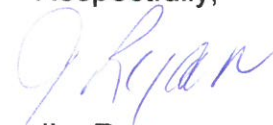

Aerial spraying takes place only after a public notification to inform the citizens of Brazoria County that we will be spraying. We have also started having broadcast on area television stations during the news. The flying schedule depends heavily upon landing rate counts, weather and wind conditions. As a result of these variables, we are unable to give a specific flying time in advance.

If your governing body would like to continue receiving this service over your city or town, please send an approval or disapproval on letterhead stationary. Please have one of the following officials sign the letter: (a) Mayor, (b) City Manager, (c) Chief of Police, (d) City Council, or (e) County Commissioner.

Aerial spraying has certainly been a step forward for mosquito control in Brazoria County.

We would appreciate your prompt response to our request.

Respectfully,

Jim Ryan
