

Part-Time EMT / Advanced EMT / Paramedic

Surfside Beach EMS – Surfside Beach, TX

Primary Shift: Every Sunday | 24-hour shift (7:00 AM – 7:00 AM)

Surfside Beach EMS is seeking a motivated **EMT, Advanced EMT, or Paramedic** to fill a **consistent part-time 24-hour Sunday shift**. This position also offers opportunities to pick up additional hours and seasonal assignments, making it ideal for providers looking for flexibility while working in a progressive 911 EMS system.

Pay Rates

- **EMT:** \$17.50/hour
- **Advanced EMT (AEMT):** \$19.00/hour
- **Paramedic:** \$20.00/hour

About Surfside Beach EMS

Surfside Beach EMS operates a modern, progressive 911 EMS service with strong medical direction and supportive leadership. Providers are equipped with advanced technology and empowered by evidence-based protocols to deliver high-quality patient care in a coastal community setting.

Equipment & Technology

- Lifepak 15 cardiac monitors
- LUCAS 3 mechanical CPR device
- ESO electronic patient care reporting
- Modern ambulances and equipment
- Progressive, evidence-based protocols

Job Responsibilities

- Respond to 911 emergency and non-emergency medical calls
- Provide patient care within scope of practice and approved protocols
- Accurately document patient care using ESO
- Operate EMS vehicles and equipment safely
- Maintain professionalism with patients, families, and partner agencies
- Complete station duties, equipment checks, and readiness activities

Additional Work Opportunities

- Ability to **pick up additional EMS shifts** as they become available
- Opportunity to staff the **Beach Medic Unit** (summer months), providing EMS coverage on the beach using the department's EMS side-by-side unit
- Opportunity to work in the **Medical / First Aid Tent** during peak summer season and special events

Minimum Qualifications

- Current **Texas EMT, Advanced EMT, or Paramedic certification**
- Current **BLS/CPR certification**
- **ACLS and PALS required** for AEMT and Paramedic (preferred for EMT)
- Valid **Texas driver's license**
- Ability to pass background check and drug screening
- Ability to work independently and as part of a team
- Strong communication, documentation, and patient care skills

Preferred Qualifications

- Prior 911 EMS experience
- Familiarity with ESO or other ePCR systems
- Strong clinical judgment and situational awareness
- Positive attitude and community-focused mindset

Why Work for Surfside Beach EMS?

- Guaranteed weekly part-time shift
- Optional additional hours and seasonal assignments
- Progressive protocols that support provider decision-making
- Advanced equipment typically found in larger EMS systems
- Supportive leadership and medical oversight
- Coastal work environment with manageable call volume
