

FREE COMMUNITY HEALTH CHECK

Brought to you by Surfside Beach EMS

Surfside Beach EMS is pleased to announce FREE health screening. Our certified EMS professionals will be providing non-emergency wellness checks and health education.

Please contact Frank DeMarco at 979-233-1531 ext. 112 to schedule an appointment for you, a family member or someone you know that might need/want this service.

We Offer:

- ✓ Blood Pressure Checks
- ✓ Heart Rate & Oxygen Monitoring
- ✓ Blood Glucose Testing
- ✓ Health & Wellness Education
- ✓ Medication Safety Tips
- ✓ Community Resource Referrals

Who Should Receive this service?

All residents or visitors are welcome, especially those managing chronic conditions such as high blood pressure, diabetes, or COPD.

Let's work together to build a healthier Surfside Beach!

Questions? Contact Surfside Beach EMS at 979-233-1531 ext. 112 and ask for Frank DeMarco

Surfside Beach EMS will provide this service Free of charge. **Please note:** During the screening if any emergency or abnormal finding is found, our Medics will recommend services above the general health screening. Should those services include ambulance transport or any medical care/treatment outside of the general health screening, standard billing practices will be followed.
